

Have You Ever Imagined a Bridge?

WHAT

A drawing, a model, a collage of a bridge (adaptable to a A3 format 29,7x42). Any kind of bridge one could imagine or remember, a bridge to cross, a bridge to connect, a bridge where to sleep under. A connecting bridge. An ancient bridge or a future one. A bridge of today.

The call PONTE is open for everyone!
Join the big exhibition!

Bring or [send your "bridge" before 19 February 2020](#) and we will put it on a table at the Manifattura Tabacchi. We will examine all the "bridges" and select those we like the most and discuss them together. If your "bridge" will be one of the twenty selected, we will show it publicly.

21 February

Bridge Foundation—take your bridge with you and we will install it together

22 February
